- A maximum of 67% of the credit value of your Curtin course or the duration of the course less one year, whichever is the greater, may be granted for previous study. (This may be less in some Faculties).
- Authority to approve Credit Transfer, which is compliant with CRL Policy, rests with the relevant Faculty Pro Vice-Chancellor.
- Previously studied units must be completed and have been studied 10 years or less prior to your application. (Some Curtin courses require previous study to be completed more recently than 10 years).
- Professional or life experience must be directly relevant to the unit for which Credit Transfer assessment is sought and a maximum of 33% of the credit value of a 3-year Bachelor course or 25% of a 4-year Bachelor course may be granted for this type of CRL.
- Credit Transfer will not usually be granted for study completed below the Australian Qualifications Framework (AQF) Diploma level or equivalent.
- Credit Transfer will not be granted based on units which themselves were the outcome of being granted a Credit Transfer.
- Previously studied units can only be used once in any particular course for Credit Transfer.
- You must obtain a revised study plan if the granted Credit Transfer affects your study program.

Forms of Credit:

- **Unit Transfer** is granted on the basis of completed study equivalent to a specific unit in your current course. If the transfer is of identical units from one Curtin course to another Curtin course the transferred unit will show on your Academic Transcript with the unit title, credit points and a grade/mark.
- **Credit Exemption** is granted on the basis of completed study or work experience which relates specifically to the content of a particular unit. Such credit exemption will show on your Academic Transcript as the unit title and credit in the 'Recognition of Prior Learning' section.
- **General or Option/Elective Credit** is granted on the basis of completed study or work experience but is not unit specific. Such credit will show on your Academic Transcript as a specific number of credit points.
- **Designated Unit** credit is granted on the basis of completion of an identical Curtin University unit through one of the partners of Curtin University. The unit will show on your Academic Transcript with the unit name, credit points and a grade/mark.

Notification: You will be notified through the Official Communication Channel (OCC) of the outcome of your application. Any indication from any other source prior to this official communication, regarding the outcome of this application, is an indication only and should not be viewed as the official outcome. You must not consider that your credit transfer has been granted until you have received official notification via OCC in Oasis. It is a condition of your enrolment that you check the OCC at least once a week.

International Students: Granting of credit transfer may affect your course duration. The revised course duration and course completion date will be reported to the Department of Immigration and Border Protection.
