

Create a new Human Research Ethics Application in InfoEd

Important! A Co-Investigator or Student can create, complete and submit new human research ethics applications in InfoEd on behalf of the Chief Investigator (CI). The Research Ethics Office will not receive the application until after the Chief Investigator and all Co-Investigators or Students have reviewed and signed off on the ethics application in InfoEd.

1. Create a new record

Log in to InfoEd => <https://infoed.curtin.edu.au>

In the Home page, hover your cursor over 'Human Ethics' and click on 'Create New Record'.

A separate window will appear on your screen with the following message "New Human Protocol in Human Ethics Development". Click 'Continue'.

A "Protocol Creation" window will appear on your screen. Type or copy/paste your project title in the text box, and click 'Continue'.

A screenshot of the "Protocol Creation" window. It has a blue header with the text "Protocol Creation". Below the header is a text input field labeled "Title" containing the text "User Guide Update - Project Title". At the bottom of the window are three buttons: "Cancel", "Spell Check", and "Continue". The "Continue" button is highlighted with a red rectangular box.

A "Select CI" window will appear on your screen. **Please note that the Chief Investigator (CI) must be a Curtin University staff member!** Click 'Continue' if you are the Chief Investigator (CI).

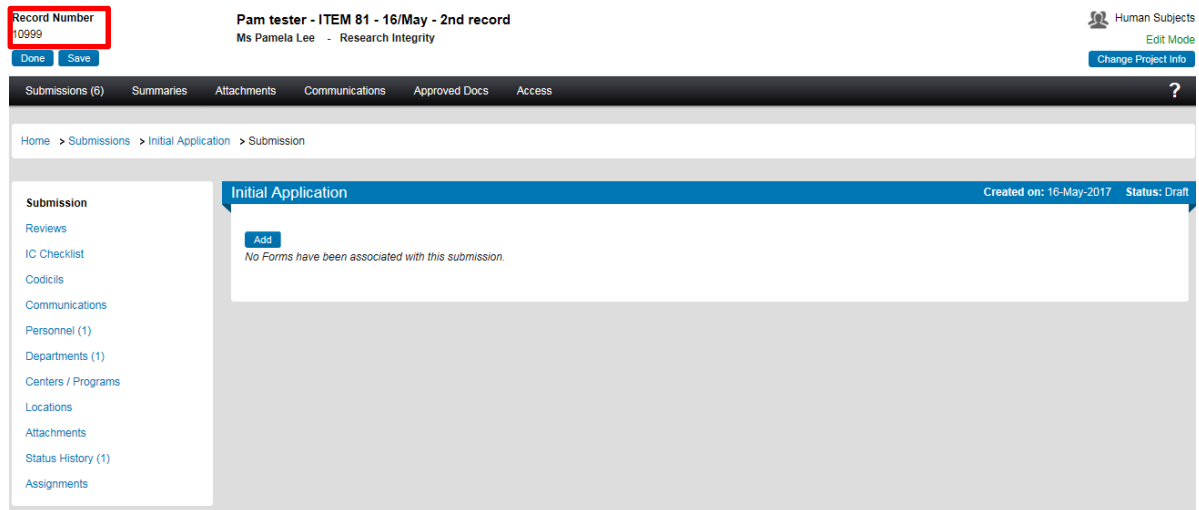

A screenshot of the "Select CI" window. It has a blue header with the text "Select CI". On the right side of the header are two buttons: "Continue" and "Close". Below the header is a text input field labeled "Member" containing the text "Lee, Pamela - Research Integrity". The "Continue" button is highlighted with a red rectangular box.

Otherwise, delete your name and start typing in the last name of the Chief Investigator (CI). A list should appear once you start typing, hence select the correct CI name and then click 'Continue'.

A screenshot of the "Select CI" window. It has a blue header with the text "Select CI". On the right side of the header are two buttons: "Continue" and "Close". Below the header is a text input field labeled "Member" containing the text "moran, ". A dropdown list of search results is displayed below the input field. The list contains several entries, with the last entry, "Moran, Chris - 269021J - Office of Research and Development", highlighted in green and enclosed in a red rectangular box. The "Continue" button is also highlighted with a red rectangular box.

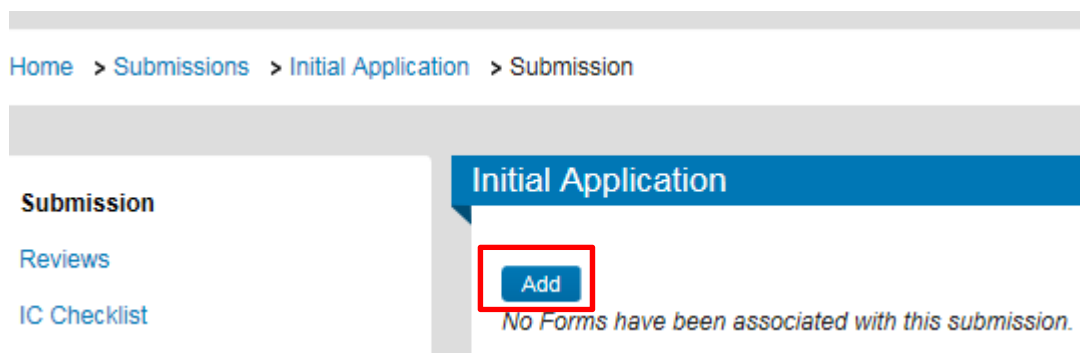

You should now be in the 'Initial Application' window. Your record number is on the top left-hand side of the "Initial Application" window

2. Add a blank human ethics application form to the submission

Click on the 'Add' button to open the upload window:

In the upload window, tick the box against the 'Human Research Ethics Application' form name and click 'Add' above the tick box:

On the right, there are buttons for 'Close', 'Print', 'Form History', 'Save', and 'Complete' with an unchecked checkbox. Below the title, there is a navigation menu with '1. Introduction', '2. Investigators', and '3. General Information'. The '1. INTRODUCTION' section is active, showing a sub-header and a paragraph of instructions: 'Use this form to apply for an ethical review of human research projects conducted by Curtin University staff or students. On submission your application will be triaged as either low-risk or non-low-risk.' At the bottom right, it says 'Updated By: Pamela Lee @ 17-May-2017 02:21:42 PM'.

Important! InfoEd will not allow you to progress successfully to 'Complete' status if you have not answered all the mandatory questions on the ethics form in InfoEd.

After successful completion of the form, click 'Close' to close the window.

4. Add investigators to your application form

Click on 'Investigators' on the left side of the form window.

In the 'Investigators' page, click on the '+' icon to add your co-investigator to the application.

 A screenshot of the '2. INVESTIGATORS' section of an application form. On the left is a navigation menu with items 1 through 9, where '2. Investigators' is highlighted with a red box. The main content area is titled '2. INVESTIGATORS' and shows an 'Investigator' entry for 'Lee, Pamela'. A red circle highlights a '+' icon next to the 'Investigator' label. Below the name, there are fields for 'Chief Investigator' (checked), 'Start Date (DD-MM-YY)' (17-May-2017), 'End Date (DD-MM-YY)', and 'Role'. A text area below contains an asterisked instruction: '* Explain how the researcher has sufficient skills and experience to conduct the proposed research (NS 3.3.5)'.

If you have more than one co-investigator, you will have to repeat this action for each co-investigator you need to add.

Once you have clicked on the '+' icon, a separate window titled "Personnel" will appear on your screen.

 A screenshot of a 'Personnel' search window. At the top, it says 'Personnel' with a 'Close' button. Below is a row of alphabet links from 'A' to 'Z'. A search bar contains the text 'Aamir, Sohaib' and 'Curtin University' with a dropdown menu showing '17673884' and a 'Select' button. Below the search bar is a text box labeled 'Search for a particular entry' (highlighted with a red box) and a 'Filter by Position' dropdown menu. At the bottom, a note states: 'Profiles with more than one department are listed with Primary Department first.'

In the "Personnel" window, you can search by clicking on the alphabet link matching the first letter of the co-investigator's last name, to bring up the list of surnames matching your selection.

Once you have done this, type in the **LAST NAME** of the co-investigator in the 'Search for a particular entry' text box.

This will narrow down your search results, and you can click on the drop-down arrow next to the 'Select' button to display the results.
