InfoEd Demonstration Workshops

As part of our Student Engagement Strategy the Research Integrity team will be offering weekly **Human Research Ethics application** workshops. The purpose of the workshop is to enable and equip students to submit their Ethics applications in InfoEd.

Frequency	Every Wednesday throughout 2017
Location	100:110 (ORD Boardroom)
Time	12.15pm – 1.45pm (20 minute InfoEd demonstration followed by Q&As)

For students who are on campus prior to this date and feel they would benefit from the session, staff will be available every Wednesday as above to offer assistance and advice.

Students do not need to register but they will need to bring their lap top, research proposal and electronic copies of any supporting documents they may have prepared. Please see the check list below for documents that may be applicable.

- Proof of Candidacy
- Participant Information Statement (Template available here)
- Consent Form (Template available here)
- Recruitment Material (email, letter, flyer, etc.)
- Data Management Plan
- Research Integrity Training – Pass result (Blackboard screen shot)
- Questionnaire, Survey Instrument (final or draft)

Should you require further assistance with your ethics application after attending the workshop, please make an appointment with the relevant Ethics Support Officer using the contact details below.
